Appointment of the pool of experts on *ad hoc* rapid risk assessment of chemical threats under the Scientific Committee on Health, Environmental and Emerging Risks (SCHEER)

Dear Sir/Madam,

I would like to inform you that taking into account Articles 9 and 10 of Commission Decision C(2015)5383 on establishing Scientific Committees in the field of public health, consumer safety and the environment, and Article 14 of Commission Decision C(2016)3301 establishing horizontal rules on the creation and operation of Commission expert groups, the pool of experts on *ad hoc* rapid risk assessment of chemical threats has been updated. Additional twenty two experts (their names are highlighted in bold in the Enclosure) were selected following the Call of experts published from 27 September to 31 December 2018¹.

The purpose of this pool of experts is to provide, in case of need, *ad hoc* rapid risk assessment of chemical threats.

I am pleased to inform you that you have been appointed as an expert in the aforementioned pool of experts.

The list of the experts appointed to the pool of experts can be found in the Annex.

Yours faithfully,

Philippe ROUX
Head of Unit
